# Press Release

## CONSOLIDATED ENGINEERING LABORATORIES (CEL) AND EBERHART/UNITED CONSULTANTS JOIN FORCES TO FORM GEOSPHERE CONSULTANTS, INC

San Ramon CA May 1, 2008: Jim Backman, Geosphere Consultants' CEO announces that the Northern California Geotechnical and Environmental arm of **Consolidated Engineering Laboratories** (CEL) and Southern California's **Eberhart/United Consultants**, led by Dan Eberhart, have joined forces to form Geosphere Consultants, Inc. an ETS Company.

**Geosphere Consultants** is a professional service consulting firm providing innovative and creative earth and water geoscience solutions to the design and construction environment. We have over thirty years of experience in Geotechnical Engineering and Environmental Management in numerous sectors. By combining forces we are able to provide expanded construction support services through seven offices in California.

The firm will continue on the principal of providing clients value added solutions through a high level of technical expertise.
